SECTION A - SUPPLEMENTAL INFORMATION

- 1. The purpose of this Modification (04) is to extend the Performance Period of this Task Order <u>from</u> 27 February 2004 <u>to</u> 31 August 2004, with no additional labor hours and no additional funds being added to this Task Order. There are sufficient labor hours and funds already included in this Task Order to cover this extended Performance Period. This extension is necessary due to the delay in the required Material Release/Type Classification (MR/TC) approval being supplied by the Government as required by the Scope of Work.
- 2. All other terms and conditions of this Task Order remain unchanged.
